Executive Summary & Key Regulatory Breakthroughs

Project **Kaleidoscope R5 Misty greens Phase 3B (MahaRERA: P52100080947)** is a legally sanctioned NA plotting development comprising 53 plots (11,116.08 sq.m.) within the Forest Trails Integrated Township by Paranjape Schemes group. **Plot R5-180** is a prime, rectangular, **West-facing plot** (179.54 sq.m. / 1,932.55 sq.ft.) positioned on the serene southern perimeter row.

Four Critical Legal & Spatial Findings from Additional Documents:

1. **Compass Verification (West Facing):** Architectural review of Archland Architects' official sanctioned sheets confirms North points to the right; the internal layout road lies to the West. Plot R5-180 fronts West into the layout road.
2. **Shedge Family Confirming Parties Breakthrough:** In the full 75-page actual Agreement to Sell, all branches of the original land-owning Shedge family are joined as **Party of the Third Part (Confirming Parties)**, legally barring ancestral claims against Plot R5-180.
3. **22-Page Deviation Report Audit:** The promoter disclosed aggressive deviations from the MahaRERA Model Agreement, including barring plot sub-division (Cl 6.8), vesting overall amenities solely in the promoter (Cl 8.5), and disclaiming defect liability.
4. **Vistra ITCL Mortgage Release:** The land remains subject to a ₹280 Cr master loan facility (₹5.73 Cr Phase 3B debt). An unconditional, plot-specific NOC is non-negotiable.

2 Deep-Dive Legal & Physical Audit: Plot R5-180

📍 Specific Status of Plot R5-180: Sanctioned West-Facing NA Plot

Plot **R5-180** is legally recorded as **Sr. No. 45** in the official sanctioned Phase 3B Plot Schedule. It has a sanctioned area of **179.54 Sq. Meters** (approx. **1,932.55 Sq. Feet** / 1.77 Guntha). It is a standalone, regular rectangular NA plot located in the southern perimeter row of Sector R5, enjoying clear 10-meter road frontage to the **West** and natural green buffer to the **East (Rear)**.

🧭 Architectural Directional Audit & Compass Rose Verification

A forensic examination of the official Sanctioned Layout Plans (Sheets 1 & 2 by **Archland Architects Pvt. Ltd.**) reveals that the title block compass rose explicitly places **NORTH to the RIGHT (3 o'clock)**. Consequently, **TOP of the page represents WEST (12 o'clock)**, **BOTTOM represents EAST (6 o'clock)**, and **LEFT represents SOUTH (9 o'clock)**.

Because the internal circulation road is located at the *top* of Plot R5-180 in the layout drawing, the plot frontage opens directly to the **WEST**. The user's observation is **100% correct and mathematically confirmed**.

2.2 Scientific Vastu Shastra Audit & Spatial Blueprint (Plot R5-180)

Vastu Profile: West-Facing (Pashchima-Mukhi) | Lord Varuna & Lord Shani Governance

Classical Vastu Shastra (Manasara & Mayamatam) classifies West-facing plots as **Pratishtha & Sthira Lakshmi Sthanas** (Seats of Authority, Fame, and Compounded Wealth). Governed by **Lord Varuna** (Deity of Cosmic Waters, Rta, and Prosperity) and ruled by **Saturn (Shani)**, this orientation is exceptionally suited for business entrepreneurs, senior corporate leaders, advocates, consultants, and intellectuals seeking unshakeable stability.

9-PADA FRONTAGE DIVISION (WEST ROAD ACCESS - 10.00 METERS)

Pada Segment	Distance from SW	Presiding Deity	Vastu Classification	Energetic Influence & Architectural Directive

Pada 2	1.11m – 2.22m	Dauvarika	INAUSPICIOUS	Instability and career friction; maintain solid masonry boundary.
Pada 3	**2.22m – 3.33m**	**Sugriva**	HIGHLY AUSPICIOUS	**EXCELLENT ENTRANCE:** Enhances intellect, education, and steady wealth.
Pada 4	**3.33m – 4.44m**	**Pushpadanta**	SUPREMELY AUSPICIOUS	**GOLDEN GATEWAY:** Brings abundant prosperity, fame, progeny, and Mahalakshmi grace.
Pada 5	4.44m – 5.55m	Varuna	NEUTRAL / GOOD	Center West; good for administrative power; requires controlled drainage.
Pada 6	5.55m – 6.66m	Asura	AVOID	Can cause financial restlessness and energy drain.
Pada 7 & 8	6.66m – 8.88m	Shosha / Papayakshma	INAUSPICIOUS	Drains financial liquidity and invites physical fatigue.
Pada 9	8.88m – 10.00m	Roga	INAUSPICIOUS	NW Corner; causes restlessness and travel disputes; keep secondary/light.

2.3 Comprehensive Numerology & Planetary Vibrations Audit

🔢 Astro-Numerological Synthesis: 100% Directional-Geometric Harmony

Plot **R5-180** exhibits a remarkable occult phenomenon: its Sanctioned Area (179.54 Sq.M.) reduces to **Root Number 8 (Saturn)**, creating a **direct 1:1 planetary harmonic resonance with its West-facing orientation (ruled by Saturn)**! In Vedic astro-architecture, this activates *Sthira Sampatti Yoga* (everlasting wealth retention and immovable asset growth).

CORE MATHEMATICAL & ALPHANUMERIC NUMEROLOGY MATRIX

Entity / Code	Calculation	Root Number	Planetary Ruler	Vibrational & Occult Significance
Plot Number "180"	1 + 8 + 0 = 9	**9**	**Mars (Mangal)**	**Vitality & Protection:** Mars provides dynamic energy, courage, leadership, and decisive triumph over adversaries.
Compound "18"	1 (Sun) + 8 (Saturn)	Compound 18	Sun + Saturn → Mars	**Karmic Strength:** Sun-Saturn alchemy demands integrity and delivers permanent success and strong defense.
Chaldean "R5-180"	R(2) + 5 + 1 + 8 + 0 = 16	**7** (1 + 6)	**Ketu / Neptune**	**Spiritual Haven:** Number 7 brings deep wisdom, peace, intuition, and natural protection against external negativity.
Pythagorean "R5-180"	R(9) + 5 + 1 + 8 + 0 = 23	**5** (2 + 3)	**Mercury (Budha)**	**"ROYAL STAR OF THE LION" (23):** Supreme fortune, royal favor, commercial versatility, and fast asset appreciation.

SPATIAL & TOWNSHIP BRAND NUMEROLOGY SYNERGY

Dimensional Parameter	Calculation	Root Number	Planetary Lord	Harmonic Synchronization
Metric Area: 179.54 Sq.M.	1 + 7 + 9 + 5 + 4 = 26 → 2 + 6	**8**	**Saturn (Shani)**	**100% DIRECTIONAL MATCH** Mirrors West ruler (Saturn); Sthira Sampatti.
Imperial Area: 1,932.55 Sq.Ft.	1 + 9 + 3 + 2 + 5 + 5 = 25 → 2 + 5	**7**	**Ketu**	**HARMONIZES WITH CHALDEAN 7** Tranquility and domestic sanctuary.
Township "Misty Greens"	13(4) + 23(5) = 36 → 3 + 6	**9**	**Mars**	**MATCHES PLOT 180 (9)** Mutual reinforcement of dynamic growth.
Master "Forest Trails"	29(11/2) + 14(5) = 43 → 4 + 3	**7**	**Ketu**	**MATCHES R5-180 (7)** Peaceful natural retreat setting.

9.5 / 10	**9.0 / 10**	**10 / 10**	**9.4 / 10**
West / Varuna / Pushpadanta Gate	Mars 9: Vitality & High Protection	Saturn 8 = West 8 Perfect Match	Param Shubh / Royal Star Synergy

3 Comprehensive Project & Plot Pros vs. Cons Analysis

Key Advantages (Pros)

- ✓ **Reputed Master Township Brand:** Forest Trails is an established ~118-acre integrated township developed by Paranjape Schemes, known for green living, operational equestrian club, clubhouse, and schools.
- ✓ **Prime Plot Geometry:** Plot R5-180 boasts an ideal rectangular aspect ratio (10m frontage × ~18m depth = 1:1.795), which maximizes architectural floor plan efficiency and eliminates structural wastage.
- ✓ **Supremely Auspicious Vastu Alignment:** West-facing frontage ruled by Lord Varuna and Lord Saturn, featuring golden entrance Padas 3 & 4 (Sugriva & Pushpadanta), brings profound financial compounding, high status, and fame.
- ✓ **Flawless Numerological Resonance:** Rare mathematical synchronicity where plot area (179.54 sq.m. → Root 8 Saturn) perfectly mirrors the West direction's planetary ruler (Saturn), activating classical Sthira Sampatti yoga.
- ✓ **Perimeter Privacy & Green Buffer:** Situated along the southern edge of Sector R5, the plot's rear abuts natural greenery, offering superior ventilation, sunlight, and quietude without rear bungalow obstruction.
- ✓ **Confirming Parties Title Safeguard:** The actual 75-page Agreement to Sell binds all branches of the Shedge family as Party of the Third Part, legally barring ancestral claims against Plot R5-180.

Risks & Vulnerabilities (Cons)

- ✗ **Heavy Institutional Mortgage Exposure:** Plot R5-180 is blanket-mortgaged under a **₹280 Crore master debenture facility** with Vistra ITCL (India) Limited. Unconditional NOC is mandatory.
- ✗ **Aggressive Agreement Deviations:** The 22-page Deviation Report strips buyers of plot sub-division rights (Cl 6.8) and vests overall township amenities solely in the promoter with commercial transfer rights (Cl 8.5).
- ✗ **Long Completion Horizon (May 2030):** The proposed completion date is registered as 31-May-2030 (nearly 4 years from now), meaning final civic handover and township integration may take time.
- ✗ **Builder-Biased Termination Terms:** Clause 21 allows builder to terminate on 15-day notice and refund buyer deposits without interest within 30 days while retaining rights to resell the plot during disputes.
- ✗ **Disclaimed Defect Liability:** The builder marked "Defect Liability" as Not Applicable in their filing, despite RERA Sec 14(3) requiring 5-year structural defect warranty for roads, stormwater, and utilities.
- ✗ **Township Maintenance Dependency:** Ongoing dependency on the master Township Management Association (TMA) for common utilities, water filtration, and security on a per sq.m. monthly charge.

4 Institutional Mortgage & Encumbrance Audit (Vistra ITCL)

🏛️ **CRITICAL AUDIT ITEM: ₹280 Crore Master Mortgage to Vistra ITCL (India) Limited**

The entire Forest Trails township land pool (4,77,039 sq.m.), including the Sector R5 layout land, is mortgaged in favor of **VISTRA ITCL (INDIA) LIMITED** (erstwhile IL&FS Trust Company Limited) as Security Trustee.

Parameter	Township Master Facility	Phase 3B Apportioned Allocation
Lender / Security Trustee	**Vistra ITCL (India) Limited**	Vistra ITCL (India) Limited
Total Sanctioned Facility	**₹ 280.00 Crores**	₹ 5.73 Crores (RERA Form 3 apportioned debt)
Security / Mortgaged Land	4,77,039 Sq. Mtrs. (Master Township Land Pool)	11,116.08 Sq. Mtrs. (Phase 3B Plotted Layout Land)
Mortgage Deed Registration	Haveli Sub-Registrar / CERSAI registered	Covered under Master Debenture Trust Deed
Legal Status of Plot R5-180	**ENCUMBERED** — Subsumed under master institutional mortgage charge until formal release.	
Buyer Protective Prerequisite	**Mandatory Bank-Specific Release NOC:** The buyer must demand an unconditional NOC from Vistra ITCL explicitly releasing Plot R5-180 from the mortgage charge upon payment of consideration into the designated RERA account.	

Statutory Mortgage Disclosure Compliance: Section 11(4)(h) Analysis — CAUTION REQUIRED

Under Section 11(4)(h) of RERA 2016, a promoter cannot create any mortgage or charge over an allottee's plot/apartment after entering into an agreement. However, since this mortgage was pre-existing, Section 11(4)(g) mandates that the promoter must discharge the mortgage before executing the registered conveyance deed in favor of the allottee or society.

Action Item: Insert a mandatory clause in the Agreement to Sell that the promoter shall deliver the registered partial release deed from Vistra ITCL prior to execution of final sale deed.

5 Legal Title Flow & Revenue Records Audit

📜 **Title Flow Verification: 30-Year Historical Title Chain**

Title Report issued by **Adv. Rahul S. Kadam** (advocate for the promoter) was forensically verified alongside Revenue 7/12 extracts and Mutation Entries (Ferfar Patraks).

Time Period	Title Holder / Parties	Transaction / Mutation Entry (M.E.)	Audit Significance
Pre-2005	Original Land Owners (Shedge Family Branches)	Ancestral agricultural holdings recorded in Survey Nos. 125, 126, 127, etc., Village Bhugaon.	Root title established; multiple co-sharers and family branches identified.
2005 – 2008	Shedge Family $ o$ Paranjape Schemes Group Entities	Registered Development Agreements and Irrevocable Powers of Attorney (POAs) executed in favor of Paranjape Schemes.	Commercial development rights transferred; township land consolidation initiated.
2014 – 2018	Government of Maharashtra / Collector Pune	Special Township Project (STP) Sanction under Maharashtra Integrated Township Policy.	Non-Agricultural (NA) conversion granted for master township master plan.
2024 – 2025	PMRDA / Town Planning	Sanction Order **BMU/Mou. Bhugaon/125/5/pra.kr. 2012/24-25/9712** dated 09-Jan-2025.	Specific layout sanction for Sector R5 Phase 3B (53 plotted units).
Current Status	Kaleidoscope Developers Pvt. Ltd. + Shedge Family	Full 75-page Agreement binds Shedge family as **Party of the Third Part (Confirming Parties)**.	MAJOR SAFEGUARD Barring ancestral challenges against Plot R5-180.

Key Legal Breakthrough: Confirming Parties in Agreement for Sale LOW ANCESTRAL RISK

In many rural/peri-urban Pune land acquisitions, non-participating family members later file partition suits. In this agreement, **all adult coparceners of the Shedge lineage** have formally signed as Confirming Parties, acknowledging full receipt of consideration and relinquishing all claims.

5.3 Plotted Layout Revenue Law: Why Individual Plots DO NOT Appear on 7/12 & How to Check Actual Sales

A critical due diligence question for any land buyer is: "*Why doesn't the 7/12 extract show individual plot numbers like R5-180, and can the builder conceal actual plot sales?*"

1. 7/12 Tracks Parent Land, Not Sub-Plots

REVENUE RULE

Under the Maharashtra Land Revenue Code (MLRC), 1966, a 7/12 extract records village revenue survey numbers. Individual layout plots (e.g., Plot R5-1 to R5-231) are sanctioned internally by PMRDA. Separate individual 7/12 extracts or Property Cards (मिळकत पत्रिका) are **only generated AFTER project completion**, handover of layout roads/amenity spaces to PMRDA, and final sub-division measurement (पोटहिस्सा मोजणी) by the DILR.

2. Actual Sales Are Recorded via IGR (Index-II)

LEGAL REGISTRY

While builders may delay quarterly sales updates on MahaRERA, **they cannot conceal registered transactions**. Every legal sale, mortgage, or allotment of a plot must be registered at the Sub-Registrar Office (दुय्यम निबंधक कार्यालय), creating a registered **Index-II (सूची क्र. २)** searchable on the public IGR portal (freesearchigrservice.maharashtra.gov.in).

Buyer Protection Protocol: Verifying Unsold Status of Plot R5-180

ACTIONABLE RULE

1. **Run IGR Index-II Search:** Conduct an official search for *Village Bhugaon, Survey 154, Keyword: "R5-180"* for the years 2023–2026 to ensure zero prior registered sale deeds or agreements.
2. **Warranty Clause in Allotment Letter:** Require promoter to warrant that: "*Plot R5-180 is unencumbered, not pledged, and has not been allotted, booked, or promised to any third party.*"
3. **Immediate Sub-Registrar Registration:** Under Section 47 of the Indian Registration Act, a registered agreement legally defeats any prior unregistered receipt or token.

5.4 Complete Sanctioned Plot Inventory & Sales Audit — Phase 3B (53 Plots)

7 Agreement for Sale & 22-Page Deviation Report Analysis

Promoter's Deviations from MahaRERA Model Form (Annexure A to Rule 8)

The promoter officially filed a **22-page Deviation Report** explaining modifications made to the standard MahaRERA Model Agreement. Below is the legal audit of critical clauses affecting Plot R5-180:

Clause 6.8: Prohibition of Plot Sub-Division / Amalgamation — HIGH IMPACT

Promoter's Clause: The allottee is strictly prohibited from subdividing Plot R5-180 or amalgamating it with adjacent plots, even if municipal development control rules permit such subdivision in the future.

Buyer Impact: Protects overall township density, but limits future commercial flexibility for heirs. Acceptable for single-family bungalow use.

Clause 8.5: Retention of Township Amenities & Commercial Exploitation — HIGH IMPACT

Promoter's Clause: All master township clubhouses, equestrian facilities, sports complexes, and commercial zones remain the sole private property of the promoter. Plot buyers only receive non-exclusive, fee-based licensee access.

Buyer Impact: Allottees do NOT acquire undivided ownership in master clubhouses. Maintenance fees and usage tariffs remain promoter-regulated.

Clause 21: Promoter's Asymmetric Termination Rights — MODERATE RISK

Promoter's Clause: If the buyer defaults on installments, promoter may terminate upon 15-day notice, deduct earnest money (up to 10%), and refund balance within 30 days without interest, retaining rights to resell immediately.

Negotiation Recommendation: Demand reciprocal cure period (minimum 30 days) and tie promoter delay default to standard SBI MCLR + 2% interest under RERA Rule 18.

Defect Liability Period Disclaimer — LEGAL DEVIATION

Promoter's Filing: Marked "Defect Liability" as Not Applicable for plotted layouts.

Statutory Override: RERA Section 14(3) applies mandatorily. Promoter remains liable for 5 years for structural defects in common layout infrastructure (roads, drains, water lines).

8 Strategic 5-Step Action Roadmap & Negotiation Playbook

1 Demand Bank-Specific Mortgage Release NOC (Vistra ITCL)

Prior to signing or transferring any token money beyond 10%, insist on a formal, written **Partial Release NOC / In-Principle Letter** from Vistra ITCL (India) Limited referencing Plot R5-180 (Sr. No. 45) and specifying the exact escrow account for release.

2 Incorporate Customized Side-Letter / Modifications to Agreement

Address the 22-page deviation report by annexing a signed addendum that preserves your statutory rights under RERA Section 14(3) (5-year infrastructure defect warranty) and aligns payment default interest symmetrically.

3 Architectural Vastu Gate Positioning Directive

Instruct your bungalow architect to position the main gate and pedestrian entry door strictly within **Pada 3 (Sugriva) or Pada 4 (Pushpadanta)** (between 2.22m and 4.44m from the SW corner along the 10m West front boundary) to capture maximum prosperity vibrations.

4 Mandate Full Execution by Shedge Confirming Parties

Ensure that the registered Agreement for Sale includes the exact Shedge family branches named as Party of the Third Part in the 75-page draft, properly witnessed and registered at Sub-Registrar Haveli.

5 Execution of Registered Conveyance Deed Timeline

Fix an explicit milestone in the contract that upon completion of layout infrastructure or by **31-May-2030**, the promoter must execute an individual registered Conveyance Deed for Plot R5-180, transferring free and clear freehold title.
